TENANT DIRECT BILLING AGREEMENT

The undersigned agree that water bills for the premises below are to be mailed directly to the tenant for payment at applicable rates and times set by the Board of Directors of the Foresthill Public Utility District. The applicant further agrees to abide by the Rules and Regulations of the District, a copy of which is available for inspection at the District's business office.

Bills for water service are issued on the first day of the month and are due and payable upon receipt. Any unpaid balance is considered delinquent and subject to penalties on the 20th of each month. Penalties for the first month are 10% of the balance. Each month thereafter penalties are assessed at the rate of 0.5% of the past due balance.

Water rates are based on monthly usage (15th to 15th). If the first or last period of usage is less than one-half month, charges for that period shall be one-half the minimum monthly rate, or actual usage, whichever is greater.
