Dear Property Owner:

The Foresthill Public Utility District hereby directs your attention to the following two (2) excerpts of the District Ordinance(s):

Ordinance No. 03-02 (adopted 2003 for Sugar Pine Dam Purchase) Section 1.(1)
“\$6.50 per month per user or customer payable by all District users and customers on a uniform and District wide basis.”

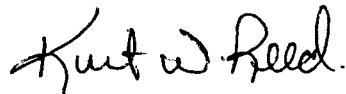

Ordinance No. 08-04 (adopted 2008 for collection of 25% of depreciation cost earmarked for existing infrastructure repair/replacement) Section 1. (1) \$3.32 per month per user or customer payable by all water users and customers on a uniform and District wide basis.”

The Board of Directors of the Foresthill Public Utility District have determined that the District's previous procedure of collection of miscellaneous charges for “active” water users only, is in conflict with the above mentioned Ordinances.

Beginning with the November 1, 2009 billing, the District shall collect from customers having a service stub to and a meter at a property location, the sum of \$9.82 per month.

Should you have any questions or require additional information, please contact the District by phone at 530-367-2511, by fax at 530-367-4385 or by mail, PO Box 266, Foresthill, CA 95631.

Sincerely,

Kurt W. Reed
General Manager
