Policy #5010 - "Board Meetings"

FORESTHILL PUBLIC UTILITY DISTRICT POLICY HANDBOOK | Item J 1

Policy in effect 2014 to 2021

POLICY TITLE: Board Meetings

POLICY NUMBER: 5010

5010.10 Regular meeting of the Board of Directors shall be held on the 2nd Wednesday of each calendar month at 2:00 p.m. at the Foresthill Veteran's Memorial Hall, Leroy E. Botts Memorial Park, 24601 Harrison Street, Foresthill, CA 95631. The frequency, date, time and place of regular Board meetings may be reconsidered annually at the annual organizational meeting of the Board. Regular meetings of the Board are subject to cancellation by direction of the President or Vice President (or by action of the Board at a prior meeting) when it reasonably appears that insufficient business, or conflicting schedules of Board members, render such meeting unnecessary or infeasible.

5010.20 Special meetings of the Board of Directors may be called by the Board President or by a majority of the Board.

5010.21 All Directors shall be notified of the special Board meeting and the purpose or purposes for which it is called. Said notification shall be in writing prepared by the Board's Clerk and Ex-Officio Secretary and received by them at least 24 hours prior to the meeting. The presence of a Board member at the Special Meeting shall be deemed an acknowledgment by that Board member that adequate notice was provided.

Brown Act (California Government Code 54950 through 54926) shall be notified by a mailing unless the special meeting is called less than one week in advance, in which case notice, including business to be transacted, will be given by telephone, facsimile or e-mail during business hours as soon after the meeting is scheduled as practicable.

- 5010.23 An agenda for the special meeting describing the matters to be considered shall be prepared and shall be delivered and posted with the notice of the special meeting to those specified above, no later than 24 hours before the convening of the meeting.

An emergency situation means a crippling disaster which severely impairs public health, safety, or both, as determined by the General Manager, Board President or Vice President in the President's absence or a majority of the Board.

FPUD POLICY HANDBOOK Amended May 14, 2014 Policy #5010 - "Board Meetings"

In the event that telephone services are not functioning, the notice requirement of one hour is waived, but the Board, or its designee, shall notify such newspapers, radio stations, or television stations that an emergency special meeting was held, and report any action taken by the Board, as soon after the meeting as possible.
- **5010.32** No closed session may be held during an emergency special meeting, and all other rules governing special meetings shall be observed with the exception of the twenty-four (24) hour notice. Item J6		

POLICY TITLE: Review of Administrative Decisions

POLICY NUMBER: 5050

5050.10 The provisions of 1094.6 of the Code of Civil Procedure of the State of California shall be applicable to judicial review of all administrative decisions of the Board of Directors pursuant to the provisions of 1094.5 of said code. The provisions of 1094.6 shall prevail over any conflicting provision and any otherwise applicable law, rule, policy or regulation of the District, affecting the subject matter of an appeal.

5050.20 This policy affects those administrative decisions rendered by the Board of Directors governing acts of the District, in the conduct of the District's operations and those affecting personnel operating policies.

5050.30 The purpose of this policy is to insure efficient administration of the District, and the expeditious review of decisions rendered by the Board of Directors.

FORESTHILL PUBLIC UTILITY DISTRICT POLICY HANDBOOK

Item J 6	

POLICY TITLE: Board Actions and Decisions

POLICY NUMBER: 5040

- **5040.10** Actions by the Board of Directors include but are not limited to the following:
- **5040.11** Adoption or rejection of regulations or policies;
- **5040.12** Adoption or rejection of a resolution;
- **5040.13** Adoption or rejection of an ordinance;
- **5040.14** Approval or rejection of any contract or expenditure;
- **5040.15** Approval or rejection of any proposal which commits District funds or facilities, including employment and dismissal of personnel; and,
- **5040.16** Approval or disapproval of matters that require or may require the District or its employees to take action and/or provide services.
- **5040.20** Action can only be taken by the vote of the majority of the Board of Directors. Three (3) Directors represent a quorum for the conduct of business. Actions taken at a meeting where only a quorum is present, therefore, require all three (3) votes to be effective (unless a 4/5 vote is required by policy or other law).
- **5040.21** A member abstaining in a vote is considered as absent for that vote. A member abstaining due to a conflict of interest does not count towards a quorum. Refer to Policy 4050 regarding when Directors should recuse themselves from participating in the discussion or vote.
- **5040.22** Example: If three of five Directors are present at a meeting, a quorum exists and business can be conducted. However, if one of three Directors comprising the quorum abstains on a particular action and the other two cast "aye" votes, no action is taken because a "majority of the Board" did not vote in favor of the action.
- **5040.23** Example: If an action is proposed requiring a two-thirds vote and two Directors abstain, the proposed action cannot be approved because four of the five Directors would have to vote in favor of the action.

FPUD POLICY HANDBOOK Amended May 14, 2014 Policy #5040 - "Board Actions and Decisions" **5040.24** Example: If a vacancy exists on the Board and a vote is taken to appoint an individual to fill said vacancy, three Directors must vote in favor of the appointment for it to be approved. If two of the four Directors present abstain, the appointment is not approved.

5040.30 The Board may give directions that are not formal action. Such directions do not require formal procedural process. Such directions include the Board's directives and instructions to the General Manager.

5040.31 The President shall determine by consensus a Board directive and shall state it for clarification. Should any two Directors challenge the statement of the President, a voice vote may be requested.

5040.32 A formal motion may be made to place a disputed directive on a future agenda for Board consideration, or to take some other action (such as refer the matter to the General Manager for review and recommendation, etc.).

5040.33 Informal action by the Board is still Board action and shall only occur regarding matters that appear on the agenda for the Board meeting during which said informal action is taken.

FORESTHILL PUBLIC UTILITY DISTRICT POLICY HANDBOOK

Item J 6		

POLICY TITLE: Board Meeting Agenda

POLICY NUMBER: 5020

5020.10 The General Manager, in consultation with the Board President, shall prepare an agenda meeting the requirements of the Ralph M. Brown Act for each regular and special meeting of the Board of Directors. Absent approval of the General Manager, the agenda will be "closed" to the addition of new items at 12:00 PM on the Wednesday preceding the regular meeting of the Board of Directors.

5020.20 Any member of the public may request that a matter directly related to District business be considered for placement on the agenda of a regularly scheduled meeting of the Board of Directors, subject to the following conditions:

5020.21 The request must be in writing and be submitted to the General Manager together with supporting documents and information, if any, at least seven business days prior to the close of the agenda for the meeting where the item is to be considered. If the General Manager decides the request should be placed on a Board agenda, General Manager may exercise his/her discretion in including the item on the next, or a subsequent meeting, agenda depending on the press of other business before the Board.

5020.22 The General Manager shall be the sole judge of whether the request is or is not a "matter directly related to District business" in determining whether to place the matter on a meeting agenda. The person requesting the agenda addition may request that the Board of Directors reconsider the General Manager's adverse decision at the next regular meeting of the Board of Directors. Notwithstanding the determination of the General Manager, any Director may request that the item be placed on the agenda of a regularly scheduled Board regular meeting at the earliest feasible date.

5020.23 No matter which is authorized for consideration by the Board in closed session will be accepted under this policy.

5020.24 The Board of Directors may place limitations on the total time to be devoted to a public request issue at any meeting, and may limit the time allowed for any one person to speak on the issue at the meeting.

5020.30 This policy does not prevent the Board from taking public comment at regular meetings of the Board on matters which are not on the agenda which a member of the public may wish to bring before the Board. However, the Board shall not discuss or take action on such matters at that meeting.

FPUD POLICY HANDBOOK Amended May 14, 2014 Policy #5020 - "Board Meeting Agenda" **5020.40** At least 72 hours prior to the time of all regular meetings, an agenda, which includes all matters on which there may be discussion and/or action by the Board, shall be posted conspicuously for public review at the District office. The agenda shall also be posted on the District's website for public information. All information made available to the Board of Directors (except confidential information allowed by State law per legal counsel authority) shall be available for public review at the time it is made available to the Board.

5020.41 At least 24 hours prior to the time of a special meeting, an agenda, which includes all matters on which there may be discussion and/or action by the Board, shall be posted conspicuously for public review at the District office. The agenda shall also be posted on the District's website for public information. All information made available to the Board of Directors (except confidential information allowed by State law per legal counsel authority) shall be available for public review at the time it is made available to the Board.

Item J 6	

POLICY TITLE: Basis of Authority

POLICY NUMBER: 4070

4070.10 The Board of Directors is the unit of authority within the District. Apart from his/her normal function as a part of this unit, Directors have no individual authority. As individuals, Directors may not commit the District to any policy, act, or expenditure.

4070.20 Directors do not represent any fractional segment of the community, but are, rather, a part of the body that represents and acts for the community as a whole.

FPUD POLICY HANDBOOK

FORESTHILL PUBLIC UTILITY DISTRICT POLICY HANDBOOK

Item J 6	

POLICY TITLE: Members of the Board of Directors

POLICY NUMBER: 4050

4050.10 Directors shall thoroughly prepare themselves to discuss agenda items at meetings of the Board of Directors. To improve the productivity of Board meetings, the General Manager should be consulted prior to the meeting to clarify any questions or to provide further materials that may be needed.

4050.20 Information exchanged before meetings shall be distributed through the General Manager, to ensure all Directors and staff will receive all information being distributed.

4050.30 Copies of information exchanged before meetings shall be made available to the public at the time of distribution, with copies available for those in attendance, and shall also be provided to anyone not present upon their request.

4050.40 Directors shall at all times conduct themselves with courtesy to each other, to staff, and to members of the audience present at Board meetings.

4050.50 Directors shall defer to the chairperson for conduct of meetings of the Board, but shall be free to question and discuss items on the agenda. All comments should be concise and confined to the matter being discussed by the Board.

4050.60 Minutes should be no longer than necessary to describe the action taken, including the motion, second, and vote, and the underlying facts as necessary to insure an adequate record for subsequent review. Modifications to the minutes of meetings that have occurred in the past should be avoided when possible, as should the addition of individual comments to prior meeting minutes.

4050.70 Directors shall recuse themselves from participating in the discussion or vote on any item where they have a personal interest or bias that prevents them from evaluating the facts and from making an objective decision or where they have a financial conflict of interest. In those circumstances, the minutes shall reflect that the Director so abstained from discussion and the vote. Unless such circumstances exist, however, Directors should affirmatively participate and vote as part of the Board's decision-making responsibilities. Directors recusing themselves from participating in the discussion or action due to a financial conflict of interest should announce the nature of the conflict and should leave the Board meeting room until the item has been concluded.

4050.80 Requests by individual Directors for substantive information and/or research from District staff will be channeled through the General Manager. Information so produced shall be provided to all Directors.

shall be followed:

Prior to purchasing such services, the General Manager or the Board of Directors will determine whether it is appropriate to seek proposals from potential service providers, based on the nature and the scope of the required service. If the General Manager or Board of Directors determines that it is appropriate to seek proposals for the required service, the following procedures

- 3082.11 District staff shall prepare a Request for Proposals (RFP) describing the scope of work. A notice of the RFP will be mailed to known service providers and published in a local newspaper of general circulation.
- The General Manager shall review all proposals received and make a recommendation to the Board of Directors regarding which service provider to select.
- The Board of Directors shall consider the General Manager's recommendation and may select a service provider. The Board of Directors may authorize the appropriate District officer to enter into a contract with the selected service provider.
