Sugar Pine is Spilling

Sugar Pine Reservoir filled the evening of December 30th, 2022 and is now spilling! Foresthill has a full supply of water for 2023!

Managing Sugar Pine Reservoir to ensure a full water supply is a very high priority for Foresthill and 2023 is shaping up to be a good water year.

Next Foresthill Meeting

Wednesday,
February 8th, 2023
at 6:00 P.M.

Check your Foresthill website for an agenda which will be posted 72 hours before the meeting.

Water fun fact

Through January the California snowpack is 222% of normal.

Reservoir Updates

Rain Totals for the calendar year 2023 = 19.30"
Average year +/- 49"

Storage = 7,057 Acre Feet

Reservoir currently 102% full

Behind on Your Utility Bills

LIHWAP (Low Income Home Water Assistance Program) may be able to help.

The federal Water Assistance program provides financial assistance to low-income Californians to help manage their residential water utility costs. Eligibility for LIHWAP services can vary depending on income, water system participation, place of residence, and other factors. Please call Project Go Inc the federally assigned Placer County service provider to get more information on how to apply.

Project Go Inc: (916) 782-3443

Working Together During Winter

**The best thing one can do
when it's raining...
is to let it rain.**

HENRY WADSWORTH LONGFELLOW

Foresthill has continued to receive blessing of water supply late December and into January leaving a mess for all utility companies to clean up after. Foresthill is grateful for our Staff that is on call 24/7 when emergencies occur from a storm. Staff members monitor the water system ensure that your water supply continues to be safe to drink.
