FORESTHILL PUBLIC UTILITY DISTRICT

- Service charge to set meter is \$50.00 during business hours and \$75.00 after hours.
- Water is billed at \$9.05 per 1,000 gallons.
- Deposit \$1,250.00 required with application. Upon return of the meter in good state and operating condition the deposit will be refunded.
- Written evidence of a valid combined public liability and property damage insurance policy with limits of not less than \$500,000.00 from an insurance company acceptable to the District. Such policy shall name the District, its officers, agents and employees as additional insureds indemnifying and insuring each of them against any and all claims, demands, charges or liabilities of any nature whatsoever, arising out of or in reference to, in connection to our use of water from District fire hydrants or any damage to any of District's installations, pipelines, valves, fittings or appurtenances with this endorsement:

The certificate holder, District, its officers, agents and employees are named as additional insured regarding general liability per endorsement to be issued by company.
